

mangrove

ECO-MIX SUPER CONCENTRATE Daily Toilet Cleaner

TC1345

Concentrated daily toilet cleaner with a fresh pine fragrance for the cleaning and maintenance of toilet bowls and urinals. 4 in 1 Action: cleans, freshens, deodourises and helps prevent limescale.

USES

Use on toilet bowls and urinals.

Contains surfactants to breakdown organic deposits and controls limescale build up. A thick clinging formula for prolonged contact time with a fresh pine fragrance.

Suitable for use on aluminium and stainless steel surfaces.

Toilet

Urinal

DIRECTIONS

Reduce the water level in the toilet bowl with a brush or plunger. Apply Eco-Mix Daily Toilet Cleaner directly to the top of the toilet bowl or urinal with the directional nozzle pointing up under the toilet bowl rim.

**Apply direct to toilet
bowls and urinals**

Leave for up to 15 minutes contact time before brushing thoroughly and flushing away.
